Note No 709/44-45 dated 23rd January 1945 from the Health Officer, City Municipality, Bngalore, to the Municipal Commissioner, Bangalore City.

Subject - Municipal Dispensary.

Submitted to the Municipal Commissioner.

The strength of the Municipal Staff, consists of poorly paid officials and menials, sweepers, scavengers and gangmen, numbering about 1200 Most of these labourers have formed colonies of their own and dwell in highly insanitary surroundings and are subjected to frequent ailments These people cannot afford to go to a hospital for immediate aid and even if they should, it would take a long time for them to get the medicines as every dispensary is over crowded. Some of the officials are obliged to work in the Municipal Office till late in the evening and to get through their routing. There is a complaint from these people that they are unable to attend to their private affairs and particularly on patients in their houses Though the number employed in the Municipality is about 1200 only, we have to take into consideration their families also, i e , roughly 6000 people If the Municipality were to have a dispensary located in the Municipal Offices, the officials can have any medicine dispensed between 4 and 6 P.M. every day and the doctor can also pay visits if necessary to their houses to examine the patients and to prescribe the proper medicine

The coolies, sweepers and scavengers require better attention in this respect The doctor can pay visits to the colonies, by rotation and dole out medicine.

The Municipality is also contemplating of housing the officials in a place and this service will be very much appreciated by all if afforded.

Timely attention to the treatment of minor ailments will considerably improve the attendance of labour

The cost of this scheme would come to Rs 5,000/- per annum as detailed below:-

1	1 Sub Assistant Surgeon on Rs 50 plus 10/- D A plus 5/- C A	65 x 12	780/-
2	1 Compounder on Rs 30/- P-M	30 x 12	360/-
3	1 Servant on Rs 13/- P M	13 x 12	156/-
4	Furniture etc (Lumpsum)		1,500/-
5	Medicines, instruments, etc	(Lumpsum)	1,000/-
6	Tricycle with van		500/-
7	1 Cycle Peon on Rs.15/- P M	15 x 12	180/-
8	Contingencies		524/-
